Chapter 1 by Loghan.B

I'm a dragon trainer. We are given dragons when we turn 10. We raise them and keep them for the rest of are lives. We train them in combat and flying skills. I love my dragon so. But he has gone missing and this is my quest to find it.

Chapter 2 by EMMA GROSE

I'm a dragon trainer too, Me and my night type dragon fight the strongest type, fire in battle. My name Amber and my dragon is moon. My dream is to be the strongest trainer anyone has ever known. I'm on a quest to find the lost type, crystal. If we find two or more we could save the species. Yesterday moon brought me fresh berries for dinner, She roasted hers. I gave her a necklace and crown to wear. She wants to learn how to teleport because her tribe use to be able to. I feed her roasted rabbit after she gives me berries. She is a very fast flyer but can't really use her moon powers. I love moon the way she is and she loves me!
